The purpose of the policy is to provide cover for the customary and reasonable fees of recognised Treatment, which is medically necessary for acute medical conditions and injuries.

This policy is not intended to cover experimental or unproven Treatment, but should such situations arise we will discuss these with the beneficiary's specialist and decide whether the cost of the proposed treatment is covered. Claims will be paid for those items specified in the policy benefits (up to the amounts stated, if applicable). Direct settlement is not available under this plan.
