Conference Highlights

01

Keynote Addresses:

International keynote speakers, and local renowned experts, will share their insights on skills development, future trends, and the importance of a skilled workforce.

02

Panel discussions:

Leaders from education, industry, and youth work will delve into topics such as future skill demands, lifelong and corporate learning, transversal, green and digital skills, and bridging the gap between education and industry.

03

Showcasing of best practices:

Sharing of experiences, best practices, tools, and strategies to enhance skills development initiatives through upskilling and reskilling, pedagogical approaches, and industry collaborations.

04

Networking opportunities:

Dedicated networking sessions along with late afternoon networking drinks will enable participants to connect and establish fruitful collaborations with like-minded professionals and organisations interested in skills development.

Your contribution will help in paving the way for the National Skills Strategy by identifying key issues and potential recommendations.
