

MUT-RES

The Retired Educators Section of the Malta Union of Teachers (MUT-RES) is the section representing those of us who, after years of dedicated teaching, reach the well-deserved age of retirement. This is when one can pamper oneself with a new way of life.

*Are you approaching retirement age? Planning what to do in the years ahead? Join us and:
#Relax with our new style of life.*

#Meet your peers.

#Enjoy our outings and our other activities.

*#Maintain contact with the profession through
our section in the union.*
