

ESPLORA AND DE BONO LAUNCH A COMPETITION FOR YOUNG INVENTORS

HEADS OF SCHOOLS ARE KINDLY REQUESTED TO BRING THE
INFORMATION BELOW TO THE ATTENTION OF ALL EDUCATORS IN
PRIMARY AND SECONDARY SCHOOLS.

Esplora, in collaboration with de Bono, is launching a competition to foster creativity and critical thinking among children **from 4 to 14 years old**, inviting them to submit their drawing of an **original idea for a Dog Exercising Machine**. All submitted entries will be vetted and judged according to their **innovation, practicality, and creativity**. All entries will be reviewed by Esplora and Dr. Edward de Bono and a prize will be awarded to participants with the best five ideas. Some of the entries submitted may be chosen and published in Dr. Edward de Bono's next publication. By submitting your entry you are granting royalty free rights to Esplora and de Bono to republish your design.

To participate, children need to:

1. **Draw their idea** for an innovative Dog Exercising Machine, &
2. **Take a photo of the drawing** and send it in high resolution format to:
marketing.esplora@esplora.org.mt

Age-appropriate, fantastic, educational prizes from the EsploraShop, as shown in the photo, will be awarded to the winners. The **prizes range from a technology-enhanced construction set** related to **renewable energy** to **virtual reality gadgets**.

SUBMISSION DEADLINE: TILL 22ND DECEMBER, 2020
